| <b>Installation:</b>      | <b>To be installed in accordance with<br/>AS/NZS 2455.1:2007. Seam sealer must<br/>be applied to all seams.</b> |

- For further product, warranty, installation and care information, please visit [www.flooringfashion.co.nz](http://www.flooringfashion.co.nz)
- Colour Variation: Colour variation may occur between sample and production due to dye lot tolerances.
- Material Variation: Product specifications may change without notice due to raw material availability.
- Shading (Permanent Pile Reversal): Cut pile carpets have a propensity to shade. This is not a manufacturing fault. Further information can be obtained from the Carpet Institute of Australia.
- A chair pad is recommended under chair with roller castors to avoid premature and accelerated wear.
